

CV: Khushi Jain

Name: Khushi Jain

Email: codingwithkhushi@gmail.com

Professional Summary

Skilled Software Engineer with a strong background in designing, developing, and maintaining software applications. Proficient in writing clean, efficient, and scalable code while collaborating effectively with cross-functional teams. Committed to delivering high-quality solutions and continuously learning emerging technologies.

Skills

Programming Languages: Python, Java, C++

Web Development: HTML, CSS, JavaScript, React

Databases: MySQL, MongoDB

Frameworks: Node.js, Express.js, Django (basic)

Version Control: Git & GitHub

Software Engineering: Object-Oriented Programming, Software Development Life Cycle (SDLC)

Tools: Postman, Docker, VS Code

Education

Bachelor of Science in Computer Science

XYZ University, 2022 – 2025

(Expected Graduation: May 2025)

Experience

Software Developer Intern

TechNova Solutions, Remote – Jan 2024 to Mar 2024

Designed and implemented features in a web-based task manager using MERN stack.

Wrote scalable and maintainable code to improve performance by 25%.

Collaborated with UI/UX designers and backend developers for feature integration.

Participated in daily stand-ups and weekly sprint reviews.

Projects

Cryptocurrency Price Tracker App – Android (Kotlin + XML)

Integrated CoinMarketCap API to show real-time cryptocurrency data.

Implemented search and RecyclerView with proper error handling.

Text Scanner App – Android (Kotlin + XML + ML Kit)

Extracted text from captured images using ML Kit.

Included onboarding screens using a third-party tutorial view dependency.

Smartify (MERN Stack Project)

Provided real-time news, weather, pollution, and place insights based on user location.

Used external APIs and implemented multiple React components.

Certifications

Java Programming – Coursera

Python for Everybody – University of Michigan (edX)

Git & GitHub – freeCodeCamp

Problem Solving

200+ LeetCode Problems Solved

Proficient in algorithms, data structures, and debugging

Strengths

Quick Learner & Adaptable

Strong Communication Skills

Excellent Team Collaboration
